INFORMATION

FOR

OFFICERS OF POSTS.

SEMI-ANNUAL reports from Adjutants and Quartermasters (consolidated), approved by the Post Commander, should be promptly forwarded to the Assistant Adjutant General of the Department *immediately* after the last meetings of *June* and *December*. The necessity for strict compliance with this rule will be obvious by reference to Chap. V. Art. II., Sec. 2, Rules and Regulations, requiring the Department Commander to forward the Consolidated Return to National Headquarters "on or before the 20th days of July and January." If Post Commanders will bear in mind the time required for transmission by mail, the fact that Post Reports must oftentimes be returned for correction, and the labor involved in consolidation, they will see that there is little enough time for Department Officers to comply with the Rules. In absence of the Commander, let the Acting Commander approve reports. Reports should be sent with *Per Capita Tax* in one envelope. Remittances should be made by Draft, Postal Order or Registered Letter.
